Check www.corinth-training.com for details of other courses as and when added

All courses are ten week's duration unless otherwise indicated. Full course fees apply if a learner withdraws from a free course. The voluntary donation courses are either only partially funded or completely un-funded. The cost of these courses would ordinarily be £60. A voluntary donation of £6/lesson would be gratefully accepted where possible but is by no means compulsory.

To book a place on a course please contact on the above number. Courses are open to Salford residents 19+, working or not. Corinth Training C.I.C. is a not for profit community interest company. We put the needs of the learner first to ensure an excellent learning experience.

For further info:

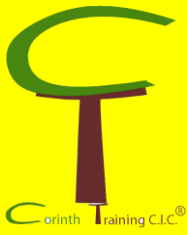

www.corinth-training.com or, email info@corinth-training.com, or phone 07482 606 808

E&OE. All free courses are available to Salford residents aged 19+ who have lived in the EU for three years or more, working or looking for work, and for asylum seekers and refugees who have lived in the EU for six months or more. Please bring birth certificate, UK passport or resident permit for enrolment. Withdrawal from a free Corinth Course will result in full course fees being charged to the learner. Whilst we try to keep all our courses free sadly photography and conversational Italian are either partly or totally unfunded. We do not want to stop anyone from learning new skills. For this reason, we have implemented a voluntary contribution scheme for those courses. As a guideline, the full weekly cost for each of those courses would be £6/week. If you would like to contribute something to cover the cost that's great but if this isn't possible, no problem, you will always be welcome. Unfortunately, Next Steps Italian is a full charge course at £60 upfront.
