What is Community Learning?

A wide range of community-based learning opportunities for adults, designed to help people of different ages and backgrounds:

- get a new skill
- reconnect with learning
- follow an interest
- prepare to progress to formal courses
- learn how to support your child through their learning
- prepare for work or to help progress in work

Who can learn?

Anyone age 19 years or over who either lives or works in Salford * (you will need to provide proof of residency in resident in UK less than 3 years)

What Can I Learn?

English – To improve reading, writing, speaking and listening, you will have the opportunity to progress to qualification course (Functional Skills or GCSE)

Maths - To improve your everyday maths and number skills including financial literacy and budgeting skills. You will have the opportunity to progress to qualification course (Functional Skills or GCSE)

ICT - To improve your computer and digital skills which will help you access on line services, carry out job search activities or support learning for yourself or your children.

ESOL - For English Speakers of Other Languages. To support adults to learn the language skills needed to settle into their new community, access local services and be more confident to communicate in English. These courses are not suitable for residents who wish to improve their English Skills for Employment they will need to enrol on ESOL courses at Salford City College call 0161 631 5000 for more details.

Employability - A range of courses including life skills, time management and CV development that support people to develop the skills they need to apply and maintain employment.

Vocational - Short courses to introduce you to vocational areas such as health and beauty, social care, counselling, construction, horticulture and more. They will give you a flavour of what working in that sector would be like and prepare you for further study or work experience

Community Specific - These will be similar to other courses offered but will be adapted to meet the needs of a specific community within Salford.

What Level of Course is Right for Me?

Tasters - A one off session to try a new area of study to see if it's right for you.

First Steps / Introduction to - Entry level courses usually between 10- 30 hours long, designed to provide your first steps into learning a topic. Ideal for someone who has been out of learning for a while or is new to a topic area.

Next Steps / Progression in - These courses build on our first steps and introduction programme. They are suitable for someone who has completed a first steps course and is ready to move on or someone who already has some knowledge of a subject area. They are aimed at preparing you for more formal study or accredited qualifications and are likely to be between 10 and 30 hours long

What support is available?

All learners are offered Information Advice and Guidance (IAG) sessions from friendly, qualified staff. They will help you work out your best starting point, which courses will help you achieve your goals and what your next step should be when you have finished a course and want to move on. They can help you access a wide range of information and support about further and higher education and employment opportunities

Is there a cost?

Most community courses are free for adults; however you will need to provide proof that you are UK resident. You can do this by bringing proof of your ID (valid passport or driving licence) National Insurance number and proof of residency if you have lived in the UK for less than 3 years

How do I find out more information or enrol on a course?

You can find out more information by calling the telephone number next to the course you are interested in or dropping in at one of the learning open days organised throughout the city to find out more about these either Email consortium@salfordCVS.co.uk or Telephone 0161 787 7795
